#### COMING EVENTS

One of the most beloved musicals in the history of the American stage will make a return appearance at Sumter Little Theatre. "The King and I" by Rodgers and Hammerstein will open May 4th for a two-week run. It will be the first production of our 1982 - 1983 season.

Our membership drive for the new season will open in April. You will be receiving a brochure in the mail next week telling about all our shows and giving you an opportunity to join. Watch for it.

"The Lark," based on the life of St. Joan of Arc, is currently playing at the Episcopal Church of the Holy Comforter as part of Holy Week celebrations. No admission is charged but donations are accepted.
